**Re:** 2008 Juvenile Accountability Block Grants (JABG) Funding

The Corrections Standards Authority (CSA) is pleased to announce the federal JABG funding for fiscal year 2008/2009. The federal Office of Juvenile Justice and Delinquency Prevention (OJJDP) has advised States to base allocations on California's 2007/2008 funding distribution for the direct allocations to jurisdictions.

Included with this letter is a funding chart identifying the jurisdictions that are eligible to receive a direct award based on the federal formula.

Attached to this letter is the 2008/2009 application packet for those jurisdictions who are eligible to apply for a direct allocation. The application packet can also be accessed from the CSA website at [www.cdcr.ca.gov/Divisions\\_Boards/CSA/](http://www.cdcr.ca.gov/Divisions_Boards/CSA/).

The 2008/2009 application follows a similar format as last year's application document. The funding cycle for this program is a 12-month period beginning July 1, 2008 and ending June 30, 2009.

As in previous years, a qualifying unit of local government may waive its right to a direct subgrant award and request that the funds be awarded to, and expended for its benefit by, a larger or contiguous unit of local government.

Beginning with the 2008/2009 JABG Application, grantees are required to support California's mandate to comply with the federal Juvenile Justice and Delinquency Prevention Act, which requires States achieve and maintain compliance with four core protections to be eligible for funding. Among these protections is the reduction of disproportionate minority contact with the juvenile justice system. This federal initiative is referred to as Disproportionate Minority Contact (DMC). California has made DMC a priority within the juvenile justice

system and JABG applicants are now being required to attend DMC education and awareness training sponsored by CSA to support this effort. JABG applicants shall incorporate attendance of CSA sponsored DMC education and awareness training into their applications and may allocate JABG funds to send pertinent staff to the training, including the Project Director and staff assigned to grant related activities.

Additional information outlining dates, times, and locations for this DMC training will be disseminated to all JABG grantees by CSA's DMC Coordinator, Shalinee Hunter. If you have specific questions about the training please contact Shalinee at (916) 322-8081 or [shalinee.hunter@cdcr.ca.gov](mailto:shalinee.hunter@cdcr.ca.gov).

Should you have questions regarding this funding notice, please contact the JABG Coordinator, Constance Lucero, at 916/341-7392; [connie.lucero@cdcr.ca.gov](mailto:connie.lucero@cdcr.ca.gov).
